About Encanta La Vida:

If you're looking for a beautiful and tropical retreat setting in a remote location of Costa Rica, look no further. This lodge provides unique guest rooms, a soft salt water pool, a monkey bar, and a two-story Yoga deck, made from rainforest hardwood. The Yoga deck overlooks Pan Dulce Bay where the sounds of the jungle and the waves rolling in set the perfect backdrop for a serene and nature-inspired Yoga experience. Encanta La Vida is a simple blend of quality service, fantastic food, beautiful accommodations and a unique location to make you feel at home in the jungle. Your experience at this retreat will be enlightening and powerfully restorative both on and off the Yoga mat.

About the Area:

Cabo Matapalo is known as the epicenter for flora and fauna in the area and is abundant with wildlife, pristine beaches, warm turquoise waters, and that laid back Pura Vida vibe that Costa Rica is known for. Our lodge will be nestled between the mountains and beaches of Cabo Matapalo where the secondary forest meets the primary forest and the jungle meets the ocean. There are three beaches within easy walking distance of the lodge, and two waterfalls within hiking distance. Here you will also find easy access to Corcovado National Park, the crown jewel of Costa Rica's National Park system. Our lodge's location makes it the perfect base camp for all the local adventures, or the perfect hideaway for those wishing to enjoy the peace and quiet of the area.

The Food:

The meals at our lodge will be healthy, delicious, creatively designed, and beautifully presented. Their chefs use the freshest local herbs, products and fish, preparing creative menus tailored specifically to our needs as a group. The kitchen is prepared to cater to vegetarians, vegans, gluten-free diets, and more.
